Report of Principal and School Improvement Council

Griggs Road Elementary School continues to provide a quality education for all children. Our students, teachers, and parents are dedicated to this goal. Griggs Road has received the Palmetto Gold Award from the South Carolina Education Oversight Committee for academic achievement for three consecutive years. Our school also received the Closing the Achievement Gap Award in 2010 and 2011.

Students have opportunities to excel in extracurricular areas. Every student submitted art work to Artsonia, an on-line children's art website. Griggs Road was awarded the Artsonia Leadership Award for being ranked 2nd in South Carolina and 27th nationally for participation in the online art program. GR is ranked.

Griggs Road encourages students to be good citizens by emphasizing co-curricular activities such as service learning and character education. Students were able to participate in clubs such as: Clay Club, Physical Education/Cup Stacking Club, Geocaching Club, Girls on the Run Program, Chorus and Be a Fan Club. The Be A Fan Club was recognized by the SC Unified Sports Association as one of the best in the state of South Carolina.

Parent involvement is important to the culture of Griggs Road. Our School Improvement Council (SIC) and PTO contribute their time and talents to many projects/activities at our school. Parents work diligently to raise funds for school equipment, supplemental instructional materials, and provide opportunities for students to learn through various school field trip opportunities.

Parents and community members are a vital part of our school. Griggs Road strives to make our parents and community volunteers feel welcome and appreciated. Academic excellence is our primary goal at Griggs Road. Our school staff strives to maintain a quality education for all our students in a safe, nurturing, and healthy environment. This goal is achieved through the efforts of our faculty, staff, parents and students.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
